HALF OF THE GRESHAM SINKS Ogdensburg, May 17.—One-half of the United States revenue cutter Gresham went to the bottom of the St. Lawrence river this morning and now rests in twenty-five feet of water. The steamer had been cut in two and pontooned for passage through the Canadian canals to Montreal, where she was to be reunited and sent to join the navy. While waiting for the tugs to start, the bow section, fortyeight feet in length, suddenly careened to one side, forcing that pontoon under the water. The upper pontoon then shifted position, drawing the other pontoon en-

overloading the top deck, making the mall section topheavy. The ironolad steam yacht Comanche elonging to Mark Hanna, is passing down the St. Lawrence canal en route to New York, to be turned over to the government to use for war purposes,

tirely away from the bow section, almost

turning it bottom side up. Fourteen sea-
